SCOTT'S EMULSION

makes pale, thin children fat and chubby. Overcomes wasting tendencies and brings back rosy cheeks and bright

It's surprising how quickly children respond to Scott's Emulsion. It contains just the element of nourishment their little bodies need. They thrive on it.

Even a few drops in the baby's bottle have a noticeable effect for good. Nothing better than Scott's Emulsion for growing children.

Scott's Emulsion cost less? Because they're worth less. With one you wait in vain for the benefits you had looked for. In Scott's Emulsion you get them. It never disappoints. That's worth the few cents difference in cost.

THE KONA-KAU LITIGATION

The Call says: An effort to float the new construction of a Hawaiian railroad is going up in the smoke of litigation. A suit was begun yesterday in the Superior Court by C. Bolte, as assignee of Jacob L. Coerper, against H. Wilson, Wilson, Lyon & Co. and the Wilson-Lyon Construction Company for the recovery of \$2500 alleged to have been due April 9, 1903, and \$23,750 alleged to have been due October 9,

The unpaid sums are included in the 15.35 clauses of a contract made on Feb-21.65 ruary 9 of last year whereby Coerper transferred to Wilson \$2,720,000 worth of the corporate stock of the Kona and Kau Railway Company, Limited, of Island of Hawaii, and all of his interest in the Kona Sugar Company. The transfer of these interests was for the purpose of financially rehabilitating the companies named. It is said that a new line was about to be laid for the railroad, but the company was em-

It is set forth in the complaint that Wilson agreed to put the company in proper shape and as soon as he was able to float the prospective bonds he would pay Coerper \$320,000 and the additional sums mentioned in the suit. If he did not succeed in four years in negotiating the bonds the promised nayments were still to be made. Wilson defaulted in the first payments, hence the suit.

ALL MEN IN GOOD SHAPE

Barring accidents all the boxers to appear in the Honolulu Athletic Club's fights on Friday night are in good shape. There seems to be more interest centered in these contests than any previous card that has taken place here. Perhaps this is due to the even-

ness of the matches. On the other hand this will be the first time that a fighter has agreed to stop another in a limited number of rounds.

The club will endeavor to hold as clean cut a show as possible. There will be no customary long waits between fights and it will be seen to that people get what they pay for.

The referee question is now being discussed and as good a man as possible will be selected.

SUPPER PARTIES AT THE YOUNG

Following the custom, which they were the first to inaugurate, the management of the Alexander Young Hotel will open the grill this evening after the performance of Said Pasha for the delectation of theater-goers.

Many tables have already been bespoken and a gay crowd of those who have entertained and those who listened at the opera will undoubtedly discuss supper specialties and theatrical successes. A menu for the particular occasion will be in readiness.
